

# Standards Update:

## Worker Contact and Monitoring CA-FC 12

**Publication:** 8<sup>th</sup> Edition\Canadian

**Issue:** Added Note

**Effective Date:** June 1, 2007

**Discussion:** Based on research and response from the field, this Note has been added to reflect best practice. This Standards Update applies to all organisations whose Accreditation Agreement has been received by COA on or following June 5, 2007. For all other organisations, this Standards Update is optional.

### Added Note

In organisations that provide foster care case management services only, the worker may meet with either the child or the family depending on to whom the organisation is responsible for providing services.
