

Standards Update:

Contracts and Service Agreements CA-RPM 9.05

Publication: 8th Edition\Canadian

Issue: New Standard

Effective Date: April 1, 2008

Discussion: Based on research and response from the field, this Standard has been added. This Standards Update applies to all organisations whose Accreditation Agreement has been received by COA on or following April 1, 2008. For all other organisations, this Standards Update is optional.

New Standard

CA-RPM 9.05

When an organisation enters into a service agreement with a provider that operates adventure-based activities with a significant degree of risk; the organisation requests proof that the provider is accredited, licensed, or certified by a nationally recognized authority for the activity being conducted.

Interpretation: *Adventure-based activities with a significant degree of risk can include, white water rafting, climbing walls, or ropes courses.*

NA The organisation does not enter into service agreements with providers that operate adventure-based activities.
